

Geometrically Speaking

A solid figure is an object that has length, width, and height. Use the picture clues to complete the crossword puzzle with words relating to solid figures. Try to complete the puzzle without looking at the words at the bottom of the page.

Across

Down

face	edge	pyramid	width	sphere	vertex	(rectangular)prism
cone	cube	cylinder	length	height		

On another sheet of paper, make a list of the mathematical terms for polygons. Then create a crossword puzzle using the terms. Draw pictures or write definitions as clues.
