## Q Think Tank

I am a 2-digit number.

I name all the fingers, toes, eyes, and ears you have.
What number am I?

Show your work in the tank.

Side B

## Data Place

The children in Ezra's class drew creepy crawlies. Then they counted their drawings.

Use the table to answer the questions.

| Creepy Crawlies |  |
| :--- | :---: |
| Slug | 5 |
| Snail | 11 |
| Worm | 8 |

1. Which creepy crawly did 5 children draw? $\qquad$
2. How many snail pictures were there? $\qquad$
3. How many more worms than slugs? $\qquad$

## Puzzler

Pretend that the thick line is a mirror.
Half of the design is ABOVE the mirror.
Shade the other half BELOW the thick line.

## Connections to the Common Core State Standards

As shown in the chart below and on page 8, the activities in this book will help you meet your specific state math standards as well as those outlined in the CCSS. These materials address the following standards for children in grade 1. For details on these standards, visit the CCSS Web site: www.corestandards.org/the-standards/.
