My New Bike

My parents just gave me a new bike and I love it.

It is red.

It goes laster than my old bike.

It is bigger than my old bike.

My new bike is just great!

My new bike and love it.

I have always wanted to have a red bike and that is the color that they picked out for me. I also love my new bike because it can go much faster than my old bike.

This bike has ten speeds and the old one only had one speed. Another reason love my new bike is because it is much bigger than my old bike. I have grown a los since i had received my old bike. I have grown a lot since i had received my old bike. That old one was way too small. Now I have a bike that is the right size for me.

All of my friends came over to see my new bike. They all lowed it too. My new bike is great!
