

Name _____ Date _____

Subjects Meet Predicates

A sentence is a group of words that expresses a complete thought. The subject tells who or what did something, and the predicate tells what happened.

Wordle

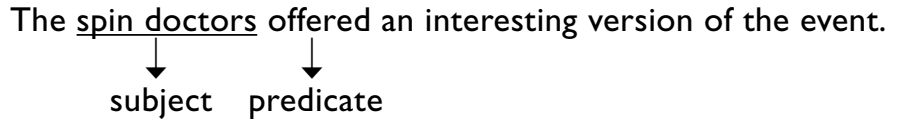

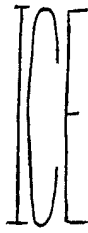

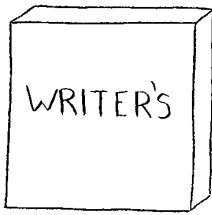

Figure out what each wordle means, and then use it as a sentence subject. Match it to a predicate below.

1. _____ means an unsafe surface for skating.
2. _____ was thick, creamy, and delicious.
3. _____ will take place in the stadium tonight.
4. _____ creates all sorts of problems for authors.
5. _____ bloom throughout the spring.
6. _____ warns of heavy winds and rain.
7. _____ offers an opportunity for a quick morning snack.
8. _____ has four stop signs.

Write three complete sentences of your own.
