Action Youth America (AYA) After School Handbook

Victor Valley Union High School District is in partnership with Action Youth America (AYA), parents and the community, to build the capacity of students to succeed academically and socially. The goal of this program is to provide a safe and enrichment environment for all students. As such, we have outlined expectations below to ensure the safety of our students and functionality of the program. Please keep in mind that participation in the AYA program is a privilege and if the below outlined procedures and expectations are not followed by both parent(s) and student(s), the students may be dismissed.

AYA begins right after-school and runs until 6pm every night. AYA is in session as long as school is in session. We follow VVUHSD inclement weather policy and will cancel or end AYA early if the conditions are not safe.

ENROLLMENT

Enrollment is open 7th – 9th grade students. There are a limited number of spaces. Per grant requirement, youth that are deemed foster or homeless have a priority. Students who register after program capacity is reached will be placed on a waiting list. Students are not enrolled until a completed application is submitted and the student has been notified of acceptance.

ATTENDANCE

Priority is given to those with consistent program attendance. Students who do not attend the program regularly may be dismissed and parents must request that their student be reinstated back into the program. Reinstatement is based upon program staffing, available space, and the student's AYA record conduct.

- If your student's attendance falls below 48% your student will be dropped from the AYA program. You will receive notification of this decision.
- If your student's attendance falls between 48-69%, students will be placed on attendance probation. If students are on probation for 3 consecutive months, he/she will be released from the program.
- Students who are absent for three consecutive days without notice from the parent will be dismissed from the program.

It is the parent's responsibility to communicate absences with AYA staff. Please refer to the Early Release Policy for acceptable reasons for your student to be absent from the program.

BEHAVIOR & EXPECTATIONS

Participation in AYA is a PRIVILEGE. While participating in AYA students are to:

- Follow school rules, as laid out in the school's handbook.
- Sign in to the AYA program immediately after the school day. The program will not be responsible for students who do not sign in immediately after-school.
- Students may not leave campus for any reason, they will not be allowed back on campus for the day.
- Be in their assigned class, OR the tutoring/computer lab/club that they have signed out to.
*****Students MAY NOT be roaming around campus OR participate in unsupervised activities while in AYA, this will result in immediate dismissal.**
- Do homework during the assigned homework hour.
- Participate in all activities.
- Take responsibility for their academics. Academics come first. This means that although participation is a requirement, if the student has homework he/she should do that BEFORE participating in any extra activity.

We encourage parents/guardians to discuss concerns with the Site Director.

ATHLETICS

AYA students are given the opportunity and encouraged to apply for middle school sports. They must sign into AYA daily, go and return after practice without causing a disruption. Middle School sports athletes must also have a self-sign out form on file so they may sign themselves out of the program for practices and games.

DISMISSAL AND SIGN OUT

AYA dismissal is between 5:55pm and 6pm every day, with the exception of daylight savings time where WALKERS ONLY will be released at 5pm for safety reasons.

Anytime a student is picked up before dismissal the adult must come in to sign out the student (unless students have an authorized form-see below). For safety reasons, all students leaving before 6pm ***MUST*** be signed out by authorized pick-up person noted on the information sheet or their emergency list unless otherwise notified by parent. AYA staff will request identification from people who are not familiar.

LATE PICK-UPS

We understand that real life sometimes interferes with your ability to pick your student up on time and in such cases a phone call indicating you will be late picking up your student is required. Out of respect for our time and that of our supervisors, we have implemented a policy for late pick-ups with failure to contact the program. As a last resort, if a supervisor is unable to reach a parent or an emergency contact, we will be forced to contact law enforcement. You may end up picking your student up at the police station. If a parent/guardian is consistently late picking up their student, which includes 3 or more times, the student will be dismissed from the program.

If you are interested in having your child participate in AYA, agreeing that you and your child have read and understand all of the above information, please complete the AYA application and return it to the AYA director or to your school's front office.
